1. A review of the files of this Office reveals that a considerable period of time has elapsed since the last security survey was made of the Subject premises.

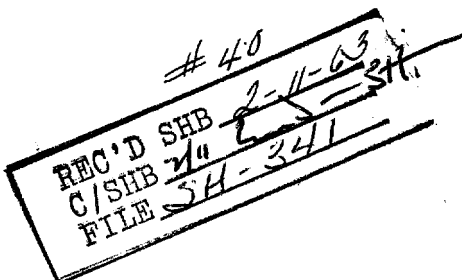

2. It is the opinion of this Office that in the best interests of security, a resurvey of these premises should be undertaken. Such a survey will be accomplished very discreetly and in such a manner as to preclude any possibility of compromising the Site or its occupants. In the event that your Office feels that it is inappropriate to conduct a resurvey at this time, it is requested that you so advise this Office within ten days.

3. If you have any questions concerning this matter, please contact the Chief, Cover Support Desk of my Office, Extension 6280 or 7380.
